AN ORDINANCE AMENDING CHAPTER 19 OF THE CHARLOTTE CITY CODE ENTITLED “STREETS, SIDEWALKS, AND OTHER PUBLIC PLACES”

WHEREAS, the sale and distribution of newspapers and other publications is protected by the United States Constitution and the North Carolina Constitution; and

WHEREAS, the public rights-of-way have historically been used to distribute newspapers and other publications; and

WHEREAS, heretofore the distribution of newspapers and other publications through newsracks located in the public rights-of-way in the City of Charlotte has largely been unregulated; and

WHEREAS, in recent years there has been a substantial increase in the number of newsracks located in the public rights-of-way that are used to distribute newspapers and other publications; and

WHEREAS, the unregulated placement and maintenance of newsracks in the public rights-of-way interferes with and threatens the public health, safety, and welfare, and presents aesthetic concerns, particularly in the Center City portion of the City; and

WHEREAS, through narrowly tailored time, place, and manner regulations designed to serve significant governmental interests and that leave open reasonable alternative avenues of communication, an appropriate balance may be struck between: (i) the rights of publishers to distribute newspapers and other publications and citizens to obtain newspapers and other publications through and from newsracks located in the public rights-of-way; and (ii) the protection of the public health, safety, and welfare.
