SHOP UPTOWN

What are you looking for? Whether it’s a unique gift, local art, a scarf for her, a watch for him... IT’S ONLY STEPS AWAY.

**Walking**
With wide sidewalks and lots to see, Uptown is the most walkable part of Charlotte. Put on your comfy walking shoes and take a step out the front door... everything you need is within comfortable walking distance.

**Biking**
If your feet are getting tired, try borrowing a bike from the Charlotte B-cycle system to get across Uptown and to South End and Midtown. Sign up at a kiosk, borrow a bike at one station and drop it off at another. There’s even a basket to hold your shopping bag.

**Taking Transit**
It’s easy to access all of Charlotte’s transit systems from Uptown. Board the LYNX Blue Line light rail from any of the four Uptown stations to ride to South End. Catch any bus from the Transit Center. There are 6 routes that run to Midtown: 6, 14, 15, 20, 39. Standard transit fares are $2.20 each way. LYNX tickets are sold at kiosks on each platform. Bus fares are sold at the Transit Center or by exact change onboard.

Visit maps.google.com/transit to plan your route.

**Parking**
There is plentiful parking throughout Uptown. Look for the big blue P to indicate decks with public parking. Cost varies by day and time, but is always posted by the parking entrance.
